

Account Supervisor/Director of Client Service

Solstice Advertising LLC seeks an Account Supervisor/Director of Client Service for the Anchorage, Alaska office. The Account Supervisor ensures that client needs are met by monitoring and guiding account managers' activities and by maintaining an effective level of direct contact with clients.

The desired individual needs a solid background in mid- to senior-level marketing positions and/or demonstrated superior performance as an Account Manager. Advanced verbal and written communications skills, analytical thinking, personal organization and interpersonal dynamics are pluses. The Account Supervisor must be a capable personnel manager, with *team-building skills and mentoring abilities*. A clear understanding of today's marketing and advertising business and a keen sense of entrepreneurship are essential. Agency experience is not required but highly desired.

Reports directly to the President.
